

**DELHI DEVELOPMENT AUTHORITY**

**[FINANCE & EXPENDITURE]**

O.O.No. 57

Dated: 18/07/16

**OFFICE ORDER**

The Work Charged employees were converted into regular establishment by the Authority's Resolutions. It was also decided that the employees who were converted into regular establishment would be covered under the General Provident Fund Rules, 1960 and would no longer be governed by the Contributory Provident Fund Scheme.

On conversion from work charged establishment to regular establishment, the Authority's share towards CPF to the employees was also transferred to GPF Account. The amount of Authority's share transferred to GPF Account of the employee was to be recovered by the DDOs as the period of work charge is being counted for pension. In case of delay, the interest is also to be recovered.

In case the amount of Authority's share credited to the GPF Account of work charged employees was not recovered with interest at the time of conversion, the same may be recovered by the DDOs and a certificate in this regard may be recorded in the Service Books.

This issues with the approval of Competent Authority.
