DELHI DEVELOPMENT AUTHORITY

No. ~~EM/1~~(10) 83/M/56

Dated 30-9-85

CIRCULAR No — 115.

It has come to the notice that ~~some schemes~~ which are either incomplete in respect of finishing etc. or have been completed but have yet to be occupied by the allottees are unauthorisedly occupied by some outsiders mostly labour class. This is a serious matter. All the Engineers should ensure that no ~~such unauthorised occupation takes place~~ in future. They are also requested to get all such unauthorised occupation vacated in respect of their jurisdiction.
