CIRCULAR No. 154

DELHI DEVELOPMENT AUTHORITY

NO. Em/10583/10591

DATED:- 29-9-86

SUB:- Use of departmental road rollers.

CIRCULAR NO. 154

Instances have come to notice when the contractors were allowed to use their own road rollers inspite of the stipulation in the agreement without getting non-availability certificate from M&W Divn., DDA. There have also been occasions when road rollers were actually available in M & W Division but non availability certificates were issued. As non utilisation/ under utilisation of road rollers results in considerable loss of revenue to the D.D.A., all the CEs/SEs/EEs are requested to ensure that the road rollers are invariably stipulated in the agreement & contractors should not be allowed to use their own road rollers with out obtaining the non availability certificate from M&W, Divn. The EE(M&W) Divn. should also ensure that road rollers are kept in working condition so that these can be put to use to its optimum capacity and non availability certificates are issued carefully after verifying the position at his level.
