CIRCULAR NO 159

Disposal of swept cement.

It has been reported by Dir.(MM) that about 10,000 of swept cement are lying in DDA stores at G.T.K.Road Jayapuri. This cement belongs to the period from 1983-86 and the quantity is being accumulated due to non-use of the swept cement. This matter of use of swept cement was discussed in the meeting with CEs when it was decided that swept cement may be used in the maintenance works to be carried departmentally in the items of non structural nature. I hereby bring this to the notice of SEs & EEs for necessary
