CIRCULAR NO. 164.

A case has come to notice where an Executive Engineer got the abandoned work completed at the risk and cost of the contractor by employing labour on Muster Roll inspite of blanket ban on such employment. The action of the E.E. was a violation of the existing instructions regarding employment of labour on Muster Roll and was irregular. All the Engineers are advised to adopt other alternatives i.e. call of tenders/inviting quotations for getting the abandoned works completed at the risk & cost of the contractors.
