CIRCULAR NO. 165

Sub: Mandatory Tests.

For ensuring proper quality of work, details of mandatory tests have been prescribed and these are given in CPWD Specifications. It has come to notice that in some cases the mandatory tests are not being carried out or where carried out, the required number of tests are not done. It is enjoined upon all CEs/SEs/EEs to see that required mandatory tests for all the works are carried out in order to ensure execution of work as per specification.
