DELHI DEVELOPMENT AUTHORITY.
ENGINEER MEMBERS OFFICE.

NO. EM.1(10)83/2097

DATED: 8.2.91

STANDING INSTRUCTION NO. 315

CTE has observed that inspite of the availability of CI pipes class - LA in the Central Stores the same had not been stipulated in the contracts of Water Supply distribution system. The pipes procured by the contractor from the open market did not conform to IS specifications in the particular case. It is , therefore, enjoined upon all the Engineers of DDA to ensure stipulation of all items handed by Central Stores in future NITs.

The list of items could be obtained from SE(Stores) from time to time.
