कक्ष संख्या नं०... 2, 4, 5

Sub: Default in Nominations for the compulsory courses like "Contract & Arbitration" from 4th to 8th Feb. '91.

7-3-91

It has been reported by the CE(Trg.), to Engineer Member that against the required notimations of 26 Officers, only 16 officers were nominated, out of which only 12 officers actually attended that above cited course.

As lot of time, energy and funds are invested in arranging such training programmes and in case such opportunity are not properly availed of, it is a direct loss of valuable resources of DDA. Engineer Member, DDA has, therefore, desired that suitable entries shall be made in the CRs of officers who were to relieve the officers nominated for the course.

All concerned may please note for strict compliance.
