DELHI DEVELOPMENT AUTHORITY.
(EM'S OFFICE)

DATED: 21.3.91

No. EM. 1(10)83/4448

STANDING INSTRUCTION NO. 321

Sub: Change in Drgs. to be avoided after award of work.

It has been observed that deviations carried out during the execution of the works are got approved from the competent authority only at the time of preparation of final bill. In this regard, it is enjoined upon all CEs/SEs/EEs including planning units not to resort to changes in original drawings except in unavoidable circumstances. Whenever the basic drawings are changed after entering into a contract, the accepting authority should supply correct schedule of quantities to AEs/EEs/SEs etc. for keeping a close watch on the execution of the work on the basis of the changed drawings.

All CEs/SEs/EEs must exercise detailed checks particularly, when the drawings are changed in order to avoid audit objections and financial implications at a later stage.
