NO:EM.1(10)837 10583

Dated: 28-7-93

STANDING INSTRUCTION NO: 404

SUB: PROVISION OF TELEPHONE CONDUITS IN PEs  
FOR BUILDING WORKS.

P.A.R. 1992, issued by the C.P.W.D. vide Memo Dated 11.3.1992, and made applicable in DDA for preparation of PEs, were circulated vide No.EM.6(174)79/Misc./Est./10543 dated 17.7.92. For extra provision for telephone conduits for building works (reference item No. 3.6.4), the provision contained in the P.A.R. is @0.5% of the Building Cost. V.C. has now approved the use of only PVC conduits for telephone connections. Hence, this provision may now be taken as modified to 0.2% of the Building Cost. All estimates under process and those to be initiated, may be modified to that extent.

This issues with the approval of Engineer  
Member:
