NO. EM.1(10)83/Vol.IX/7497

DATED: 6/6/94

CIRCULAR NO: 425

Sub: Notice Inviting Tenders publicity, sending copies to Contractor's Association and Builder's Association.

.....

Instructions were issued vide Circular No.27 & 151 issued under letter Nos.EM1(10)83/4101 dated 11.7.83 & EM1(10)83/945 dated 22.8.86 respectively that a copy of notice inviting tenders must be sent to the Builder's Association as well as DELA Contractor's Association and their acknowledgement obtained in writing, atleast 7 days in advance of the last dated fixed for sale of tenders. Copies of these notices must also be sent to all other divisions and circular offices of DELA. In spite of these instructions, it has come to notice that in some cases either the tender notices have not been sent to Contractor's Association/Builder's Association or have been sent on the last date of sale of tenders. E.Os should ensure that copies of notices are invariably sent to Contractor's Association/Builder's Association well in time as per instructions already issued.

Any lapse observed in this regard in future will attract strict disciplinary action against the erring officers.

This issues with the approval of E.M.
