

DELHI DEVELOPMENT AUTHORITY

No. ENI (10) 94/Vol. I / 754

Dated: 12.1.95

STANDING INSTRUCTION NO. 466

Sub: Pre-qualification criterion for call of tenders
for specialised jobs.

Kind attention of all concerned is invited to Standing Instruction No.359 containing certain clarifications in respect of the instructions issued earlier on the subject vide Standing Instruction No.344. The clarification vide Standing Instruction No.359 was basically meant to include some additional works in the list of the specialised works included in the earlier instructions and to affect a few other minor corrections in the conditions to be stipulated in the NITs for such specialised works. The supersession of the instructions was only to the limited extent of the additions/corrections contained in the subsequent Standing Instruction No.359.

However, some of the C.Es are interpreting that Standing Instruction No.359 is to supersede all other provisions of earlier Instruction No.344 and, as a consequence, are taking the stand that tenders for such specialised works can no more be issued to the contractors registered with various local bodies mentioned in the Standing Instruction No.344.

In this context, it is once again clarified that all other provisions of Standing Instruction No.344 except those specifically mentioned in subsequent Standing Instruction No.359 continue to be effective. As such, the tenders for such specialised works have to be invited from the contractors registered in appropriate class with DDA, CPWD, MTS, PWD, NDNC & MCD.

This issues with the approval of T.M.

(G.H. HADAH)
DIRECTOR (WORKS)

All zonal C.Es (C) & CP(Elect.,)/CP(OC)/C.E.(Design),
Directors (Port.), Port & South/ Director (P.W.D.)

2/1

contd..2/-

- 2 -

obtain financial concurrence and submit the P.E. to D(W) office for obtaining A/A of the Competent Authority.

- ii) One set of P.E. shall be forwarded to Dir.(works) office for Co-ordination, monitoring and to examine the P.E. w.r.t. general requirements, such as documentation form of presentation and conformity to various policy decisions.
- iii) SE(P)Office will submit a copy of P.E. after having obtained financial concurrence from Finance Wing. The process of financial concurrence will be between SE(P) and concerned Dy. C.A.O./Dy. F.A.(H), as the case may be.
- iv) P.E. will be put up to competent authority for accord of Administrative Approval in EM Office after financial concurrence has been obtained by SE(P) and copy of the same is submitted with endorsement of Finance Wing.

The above procedure will be followed with immediate effect. In the meantime, all efforts should be made to get the pending PEs processed on priority.

SE(P) office of each Zone will be monitoring the achievements of engineering planning every month. He will be submitting monthly returns of fresh PEs prepared/submitted in respect of PEs for which financial concurrence has been obtained and no. of PEs in which case administrative approval was got completed during a month. The statement should be forwarded to Dir.(W) office on every 4th of the month.

Finance Wing will also submit monthly returns of PEs received and number of PEs for which financial concurrence was given by them during a month to EM office on every 4th of the following month. The returns will be monitored by Dy.C.A.O.II and Dy. F.A.(H)-II in respect of PEs submitted by Planning Wing (Engineering).

It may please be carefully noted by engineers at all levels (field/planning) that the responsibility for correctness/technical scrutiny of P.E. lies with office/authority competent to initiate the P.E.
