( E.M.'S OFFICE )

NO: EM.1 (JO) 95/20060

Date: 16.11.95

CIRCULAR NO. 475.

SUB: REGULAR SUBMISSION OF QUARTERLY PROGRESS REPORTS TO CTE IN RESPECT OF HORTICULTURE WORK.

It has been pointed out by the Chief Technical Examiner, Central Vigilance Commission New Delhi that Quarterly Progress Reports in respect of Horticulture Works under North and South jurisdiction are not being received regularly in the CTE's Organisation. In this connection, the CTE has also invited attention to Commission's letter No. 9V CRD 51 dated 24.9.90 in which detailed instructions have been issued for submission of Quarterly Progress Reports. It would be seen from these instructions that if the contract amount of works/supplies being undertaken by an Organisation is less than the latest monetary limits i.e. Rs. 50,000/- then the organisation is required to report two largest works in progress.

It is, therefore, enjoined upon all concerned that Quarterly Progress Reports in respect of Horticulture works in the prescribed proforma should be sent to the CTE's Organisation regularly.

*PD Lamin this to the extent of all cases for which compliance is required*
