No. EM 1(10)2010/Water testing/DDA/ 4661 dt: 26.11.2010

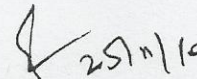

CIRCULAR NO: 653

Sub: Water testing for DDA Projects such as Housing works, RCC works like fly-overs, covering of drains, roads etc. and other works of similar nature including specialized works.

All the Technical Sanctioning Authorities are asked to conduct appropriate number of water test(s) from the project site to assess the quality of water as per relevant clauses of IS: 456-2000 fit for construction purposes. The result of the test(s) so obtained may be made a part of NIT so that the agency is aware of the quality of water available at project site. The agency while quoting the rate will add the cost for making the water fit for construction by defining the arrangement/machinery it is likely to use to make water fit as per IS: 456-2000 in the tender document itself.

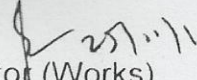

The above condition will apply to all works mentioned in the subject above and form part of the tendered document. The site Executive Engineers shall ensure the implementation.

This issues with the approval of EM, DDA.
