

## DELHI DEVELOPMENT AUTHORITY

No.EM.1(10)83/310

Dated: 10.1.85

## CIRCULAR NO. 74

It is reported that a number of requests for posting of policemen for the protection of staff and maintenance of peace at the places where tenders are invited for execution of works in DDA are being made to the police department, it is not possible to agree to so many requests by the Police Department. Therefore, the Executive Engineers & Dy. Director (Hort) DDA, are requested to ensure that they should keep the tender boxes in their rooms and allow all the intending contractors to put their tenders freely in their presence so that no contractor is prevented by others from submitting the tenders.
