OFFICE ORDER

Sub: Delegation of Powers for Acceptance of Civil Suits in case of work contracts.

At present there is no Arbitration Clause in majority of the Contract Agreements. Contractors having disputes with the department have an option to approach the respective Courts for relief. Decision on the Judgement of the Courts in such cases would need to be taken by the department expeditiously. Since such Judgments do not form part of the Arbitration proceedings, contents of the Judgments cannot be deliberated by the Arbitration Board as the Board has been constituted only for the purpose of Arbitration Awards.

2. It has therefore, been decided with the approval of Hon'ble LG that the following financial powers be delegated to various officers in respect of Court Judgments against Civil Suits, where there is no provision of Arbitration clause in the Agreement and no Arbitration Award is published. These are as under:

<u>Officer to whom Powers are to be delegated.</u>	<u>Extent of amount upto which powers are to be delegated.</u>
C.E.	Rs.10 lacs in consultation with CAO.
E.M.	Rs.30 lacs in consultation with CAO.
V.C.	Rs.50 lacs in consultation with FM.
L.G.	Full powers in consultation with FM.
