

WATER DEVELOPMENT AUTHORITY

No.: EM1(10)83/2262/

Dt.: 9.2.90

CIRCULAR NO.: 285.

It has been observed that most of the claims/counter claims in the Arbitration cases submitted by E.E.'s/S.E.'s are not accompanied by the following certificates:-

1. Efforts are made to settle the claims but, it was not possible.
2. The claims are bonafide and are as per agreement.

The S.E. should sign the claims & counter claims and same should be sent to this office under the signature of S.E. and not Sd/- or C/s. etc.

It is, therefore, enjoined upon all S.E.'s that these instructions should meticulously be followed. The claims/counter claims not accompanied by such certificates shall be returned to S.E.'s and matter will be viewed seriously. The delay in referring the claims/counter claims will rest with the concerned S.E.
