

DELHI DEVELOPMENT AUTHORITY.

NO. E11(10)83/2744

DATED: 28.6.89

CIRCULAR 262

The provisions contained in Para-5 under sections 18 of CPWD manual Volume II clearly specify the minimum time period for due publicity for call of tenders. It has been observed that due attention is not being paid to these instructions and proper time is not being given for publicity. The WAB in its meeting held on 24.5.89 took a serious note of it.

It is once again, directed that all concerned should strictly follow manual/codal provisions for proper publicity for generating proper competition. Any deviation in this regard without proper reasons will be taken seriously.
