

11(10)83/4634

Dt 13-4-87

198

CIRCULAR 198

The agenda items are being prepared by the various wings for placing before the Screening Committee & Technical Committee by the Engineering Wing and other wings of the DDA. Chief Engineers should send a copy of the Agenda note whenever it is sent for discussion before the Technical Committee or Screening Committee. Chief Architect, Director (CP), Director (DC&B) & Director (PPW) are also requested to take similar action whenever the items initiated by them pertains to Engineering/Development works.
