

DEVELOPMENT AUTHORITY.

NO. EM1(10)83/20995

DATED. 5.12.09

CIRCULAR NO. 274

It has been observed that in one of the cases of call of tenders, some short listing of the contractors was made on the basis of conditions given in press tendered notice but the same was not got approved from the competent authority i.e. L.G. However, in this case the action taken was condoned by Works Advisory Board. In future all such cases should invariably be referred to L.G. for approval before sale of tender to such parties.
