

DELHI DEVELOPMENT AUTHORITY

No. EM1 (10)83/ 16165

Dt. 2/11/88

CIRCULAR NO: 241

The following instructions shall come into operation with immediate effect.

1. The height of the brick wall of the parks presently being raised to a height of 45 cm. shall now be raised to a height of 15 cm. only above the pavement level (± 0 Level) with grills where necessary.
2. The EE(Civil) shall not allow contractors executing civil works to dump malba/rubbish in the parks under their jurisdiction.
3. The Dy. Director (Hort) incharge of the area shall keep a watch that malba is not dumped by the contractors in the parks. In case it comes to their notice that malba is being dumped they shall immediately bring it to the notice of concerned EE(Civil).
