No. DDA(10)83/20,SSO

Dated : 28.11.89

CIRCULAR NO. 272

1. A case has come to the notice of this office where tenders for specialised work like water proofing treatment were invited without preparing a select list of specialised agencies and attaching it to the tender documents.
2. According to Circular No.CE/CO/709 dt. 13.12.79 under Clause 19.2 of CPWD Manual Vol.II, a list of specialised agencies has to be prepared by the C.E and up dated periodically so that tenders for such works can be invited from such firms and a list of such approved firms can be attached to the tender documents for work in which specialist firms have to be appointed as sub-contractor.
3. Henceforth, it is decided that whenever work of some specialised nature is required to be executed, tender from specialist agencies should be called. In case the work is to be executed as sub contract then also only specialised agencies shall execute the work. A list of specialised agencies should be appended to the tender documents.
4. The above instructions should be meticulously followed by all Engineers.
5. C.E.(D&T) will prepare such specialised agencies list for whole of DDA and get it issued through the Secy. (CRB) by 1.12.89.
