CIRCULAR

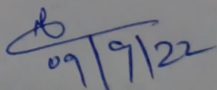

Subject: - Relaxation in terms of individual's income prescribed under the category of Economic Weaker Section (EWS) applicant for allotment of DDA flats.

In order to address inconvenience of applicants/allottees belonging to the EWS category and to facilitate smooth disposal of huge inventory of EWS flats, the Competent Authority has decided to relax one of the twin conditions for EWS houses, by doing away with requirement of having annual individual income less than 3 lakhs for the applicants/allottees of EWS flats. EWS flats, now shall be allotted only on the basis of annual family income below Rs.10 lakhs per annum as certified by the competent officer/Authority.
