

**ZONAL DEVELOPMENT PLAN FOR  
ZONE 'H'  
(NORTH WEST DELHI -I)**

**Modified based on the approval of Government of  
India vide letter no. K 12011/23/2009/DDIB  
Dated 08-03-2010**

**Authenticated on behalf of Government of India vide letter  
No. K-12011/3/Zone-H (North West Delhi-I)/2010-DDIB  
Dated 4th June, 2010.**

**AREA PLANNING – I**

**DELHI DEVELOPMENT AUTHORITY**

## **PREAMBLE**

- The Zonal Development Plan for Zone –H has been approved by the Central Government vide letter No.K-12011/23/2009-DDIB dated 8<sup>th</sup> March, 2010 under section 11A of DD Act.1957.
- The Regularization of Cultural, Religious (including spiritual).Educational and Healthcare Institutions shall be subject to fulfillment of the conditions as given in Para No.2.4.9 of the ZDP / Govt. directions issued from time to time.
- Indication of influence Zone along MRTS / Major Transport Corridor *as well as indication of uses other than residential* shall be undertaken at the stage of Layout Plan / Local Area Plans, as per provisions of MPD-2021 and the Guidelines / Conditions as notified by DDA with the approval of Government of India from time to time.

## ZONAL DEVELOPMENT PLAN FOR ZONE 'H'

**MAP NO. - 1**

## 1.0 ZONAL DEVELOPMENT PLAN FOR ZONE 'H'

### 1.1 Background, Location, Boundaries and Areas

Under the Master Plan for Delhi-2021 promulgated on 07.02.2007, the National Capital Territory of Delhi is divided into 15 Planning zones out of which 8 zones are in Urban Delhi (A to H), 6 are in Urban Extension (J to N and P) and one for River Yamuna and River front area (Zone O), Zone 'H' is also known as North West Delhi-I and it covers an area of 5677 Ha.

Zone H is distinctly characterized by well planned residential localities. This Zone is situated between two major railway lines viz, railway line to Ambala in the North East and the other to Rohtak in the South West. Prestigious TV Tower, Delhi Haat, developed parks, DDA Sports Centres with International Standards, and protected forest area namely Shalimar Bagh are some of the significant features in this Zone. Rohini Project PH-I/II(Part) forms part of this zone, mostly in Zones H-7,8 & 9 (ref. Map No.1)

The boundaries of the Zone are as under:

**North-East:** Railway Line to Karnal, Zone-C.

**West:** Rohini Phase-III, Zone-M.

**North-West:** Nangloi Drain and Rithala STP, Zone-M.

**South-West:** Railway Line to Rohtak, Zone-G.

This zone has been developing since pre independence era and through the MPD-1962, MPD-2001 and now MPD-2021. As such the Zone has heterogeneous character where the unplanned areas and planned areas developed under the norms of various plans co-exist.

## 1.2 Statutory Provisions and Objectives:

### 1.2.1 Zonal Development Plan.

A Zonal Development Plan means a Plan for each Zone (Division) containing information regarding provision of social infrastructure, parks and open spaces, circulation system etc. The Zonal Development Plan indicates the actual as well as proposed use zones designated in the 9 'Land Use' categories stated in the Master Plan according to which the area in the Zone is to be finally developed. User indicated in the Zonal Development Plan will not give automatic right to the owners to use their property/ land for the designated use. Based on the availability of infrastructure services by the respective departments, the urbanisable areas will be opened up for development in a phased manner to meet with the needs of urbanization envisaged in the Master Plan-2021. The hierarchy of Urban Development indicated in the Zonal Development Plan is to be in conformity with Table 3.3 of the Master Plan-2021.

## 1.3 Earlier Approved Zonal Development Plans:

### 1.3.1 As per MPD-1962 the Zone had Sub Zones H-1 to H-8 (Annexure-1)

i)	Area under Sub Zone H-1 to H-6	2,980.70 Ha.
ii)	Area under Sub Zone H-7 to H-9 (Rohini Phase-I & II and Mangolpuri)	2,400.30 Ha.
	<b>Total</b>	<b>5,381.00 Ha.</b>

The Zonal Plan of Zone 'H' within the framework of MPD-2001 was approved by Govt.of India, Ministry of Urban Development vide letter No. 13011/7/2006/DDIB, dt. 26.05.06.

## 1.4 SPECIAL CHARACTERISTICS OF THE ZONE:

The significant features of this Zone are:

### 1.4.1 Rohini Project (Phase-I & II)

'ROHINI' sub-city Project (Ph-I & II) was approved by DDA in 1980 based on MPD-1962. It is predominantly a residential project on 2497 Hac. of land in North West Delhi within a distance of 15 Km. from Connaught Place in continuation of Shalimar Bagh and Pitampura residential schemes. The area is situated along the Outer Ring Road Between the two major traffic corridors-The G.T.Road with railway line to Karnal and Rohtak Road.

#### 1.4.2 **T.V.Tower & Dilly Haat.**

The Major points of attraction in this Zone are T.V. Tower complex. The T.V. Tower Complex is in the vicinity of District green and has a dominating feature having tremendous visual and special qualities. An organized informal eating place, casual shopping and cultural activities centre such as Dilli Haat is coming up in the complex.

#### 1.4.3 **Netaji Subhash Place Complex and Manglam Place District Centres**

Netaji Subhash Place and Manglam Place District Centres are a hub of commercial activities having shopping malls, offices, hospitals etc.

#### 1.4.4 **District Parks & DDA Sports Centres**

Besides, it has District Parks, Picnic huts and Orchards in Rohini Scheme. DDA Sports Centres near T.V.Tower is one of the best Sports Centre with International Standards' of Sports Facilities. DDA Sports Complexes are also situated in Ashok Vihar and Rohini.

#### 1.4.5 **Shalimar Bagh**

Shalimar Bagh is a protected forest falling in this Zone. It is a historical garden of the Mughal period with Sheesh Mahal as a centrally protected monument under ASI. A Tank and a Well exist adjacent to Shalimar Bagh and are under serious deteriorations. These are being protected by ASI except for the Well which is under joint ownership of ASI and DDA.

#### 1.4.6 **Western Yamuna Canal**

The Western Yamuna Canal, running parallel to Delhi Karnal Railway Line divides zone H-4 & H-5 and forms an important feature of landscape.

#### 1.4.7 **MRTS Corridor**

The 1<sup>st</sup> Phase of MRTS passes through the Zone covering Inder Lok to Rithala. This has improved the connectivity of this zone.

#### 1.4.8 **District Courts, Rohini**

District Court (3 Ha.) has been accommodated on the junction of Outer Ring Road and Road No.41.

#### 1.4.9 Residential Areas

Most of the Residential areas/colonies are well planned such as Ashok Vihar, Wazirpur, Pitampura, Shalimar Bagh and various Co-operative Societies. The Housing in this zone can be divided into the following categories.

1. Residential (Plotted & Group Housing) areas developed by DDA.
2. Co-operative House Building Societies in Pitampura.
3. Co-operative Group Housing Schemes in Pitampura & Rohini Ph.I & II
4. Plotted development for Rohini Residential Scheme-1981.
5. Resettlement Colonies.
6. Pre-1962 Built up Residential & Re-habilitation colonies.
7. Unauthorized regularized Colonies.
8. Urbanized Villages.

#### 1.4.10 Industrial Areas

There are planned industrial areas such as Wazirpur, Lawrence Road, and Mangolpuri. These are developed as envisaged in the Zonal Plan. As per MPD-2021, the unplanned Industrial areas include Shalimar Village, Haider pur village and Rithala Village.

### 2.0 ZONAL DEVELOPMENT PLAN PROPOSALS:

The Zonal Plans shall detail out the policies of the Master Plan - 2021 and act as a link between the Layout Plan and Master Plan. The development scheme and layout plans indicating various use premises shall confirm to the Master Plans / Zonal Plans.

#### 2.1 Population and Employment:

The projected population of Zone 'H' as per MPD-2021 is 18, 65,000. Based on various activities, employment centres have been identified with estimated workforce of about 7,10,000 (Participation Rate 38.1% as per MPD-2021). The following are the major work centers:

- i) District Centre, Netaji Subhash Place.
- ii) District Centre, Manglam Place.
- iii) District Courts, Rohini.
- iv) Wazirpur Industrial Area.
- v) Lawrence Road Industrial Area.
- vi) Mangolpuri Industrial Area Ph. I & II.
- vii) Twin District center Rohini.

### 2.1.1 Residential Development:

This zone is divided into two parts viz Sub-zones H-1 to H-6 and sub-zones H-7, 8 & 9 (Rohini Scheme and Mangolpuri). Most of the land in sub-zone (H-4 & H-5) has been allotted to Co-opertive Societies. In Sub-zones H-1 to H-6 there are two JJ resettlement colonies namely Wazirpur & Shakurpur and 9 urban villages. Colonies such as Ashok Vihar, Pitampura, Shalimar Bagh and Wazirpur under residential use are developed and executed by DDA & other Govt. agencies. These colonies have recreational, shopping and other facilities.

### 2.1.2 ROHINI Scheme – A City within Metropolitan Delhi:

Rohini is predominantly a residential area planned for 8, 50,000 population. This Scheme was planned in 1980. In sub-Zones H-7, 8 & 9, land has been allotted to CGHS societies in Sector IX and XIII. A re-settlement colony namely Mangolpuri and 6 urban villages exist in sub-zone H-7, 8 & 9.

The work centres provide employment for 3 lakh workers. Major facilities of health, education, social and cultural activities have been judiciously distributed on the main transportation routes within the scheme to ensure easy access. Intensive utilization of land has been achieved resulting in compact development to conserve land and energy resources without sacrificing the level of infrastructure. Large recreational areas have been conveniently located to provide for a variety of recreational facilities in addition to parks and playgrounds at neighbourhood level.

The gross residential area of 1413 Ha. has been planned in a module of 100 Hect. The Sector provides housing for about 60,000 population and is self-contained in terms of essential facilities and amenities. The peripheral roads provide the public transport routes which are at not more than 500 meters distance from any part of the sector. The community centre and four Senior Secondary Schools grouped together at the nucleus, ensure equal accessibility to all facilities.

The following land use distribution was approved by Authority and it is a part of Zone-H. In table No.1 this has been included in Land Use Analysis Table No.3

**LANDUSE DISTRIBUTION IN ROHINI: TABLE NO.1**

<b>Land Use</b>	<b>Area in Ha.</b>	<b>% age</b>
Residential (Plots- 1,17,000 units, Group housing-17,000)	1,413	56.58
Commercial	108	4.35
Industrial	482	19.32
Public & Semi Public Facilities	126	5.06
Circulation	155	6.22
<b>Total</b>	<b>2,497</b>	<b>100</b>

## **2.2 REDEVELOPMENT OF THE EXISTING AREAS**

In Zone-H, a large number of areas are old and are characterized by poor structural condition of buildings, sub optimal utilization of land, congestion, poor urban form, inadequate infrastructure services, lack of community facilities etc.

The housing stock in both planned and unplanned areas can be enhanced through various approaches as per MPD-2021. Incentivized redevelopment with additional FAR has been envisaged in MPD-2021 as a major element of city development covering all the areas.

### **2.2.1 Planned Areas:**

#### **A Plotted / Group Housing**

There are a number of plotted Residential Colonies like Ashok Vihar, Pitampura, Saraswati Vihar, Kohat Enclave, Sainik Vihar, Anand Vihar, (Zone-H-5) etc. came up under CHBS Schemes. Pre 1962 Residential and Rehabilitation colonies include Gulabi Bagh, Bharat Nagar etc. The Co-operative Group Housing Societies (CGHS) have come up in Pitam Pura & Rohini.

The flats built by DDA, particularly those, which have become aged, may be redeveloped with permission and subject to the condition that the structural safety of other flats is not impinged. Already developed group housing inclusive of public (DDA and others), Co-operative housing may be redeveloped on the basis of prescribed norms and regulations by formulating co-operative societies or self-managing communities. The funds for redevelopment shall be contributed by the resident's beneficiaries.

## B **Employer Housing**

In Zone-H substantial areas were developed at low density after Independence, and have potential for densification. Employer housing such as Railway Colony, DDA staff Housing, Delhi Administration Housing etc. has come up in Shakur Basti, Pitam Pura, Keshav Puram, Gulabi Bagh, etc.

These are mainly government areas. In order to optimally utilize these prime lands there is need of intensive development. On a conservative estimate the present housing stock can be increased to more than double. Infrastructure enhancement and provision for additional housing can be financed from the funds generated through cross-subsidization between commercial and residential use for EWS and LIG categories.

### 2.2.2 **Unplanned Areas:** (Annexure - 2)

#### A **Villages**

There are 15 urbanized villages located in this area (Annexure –2) the Redevelopment Plans for most of the villages were prepared earlier. However, during survey (Ref. Zonal Plan 2001) it has been noticed that most of the development in around the villages have come up against the village plans and Master Plan Land Use. Lack of infrastructure and facilities have rendered them substandard.

Village Redevelopment Schemes shall be prepared for villages giving the development control parameters by the concerned local body. The redevelopment plans shall ensure that the permissibility of mixed use zoning at property or within the premise level is compatible to the predominant residential areas.

#### B **Unauthorized colonies:** (Annexure - 18)

The process of regularization of unauthorized colonies is being coordinated by the Govt. of NCTD. Regularization of unauthorized colonies is a continuing process and is subject to the Government guidelines approved from time to time. The tentative list of the unauthorized colonies falling in each zone has been annexed to every Zonal Plan. As in the case of Village abadis, the 'Land use' of the finally approved unauthorized colonies located in any use zone, at any point time, within the boundaries specified by the competent authority would be 'residential'. Tentative list of Unauthorized Colonies is given at Annexure 18.

### 2.2.2.1 Facilities In Unplanned Areas

As Special permission from the Authority or as per approved Layout Plan, the following Institutional activity / PSP facility under Residential Use Zone is permissible under Sub-Clause 8(2) of MPD-2021:

- i) Hospital (up to 100 beds).
- ii) Primary Health Centre / Family welfare Centre / Maternity Home/ Dispensary etc.
- iii) Nursing Home / Poly Clinic / Clinic, Clinical lab. Etc.
- iv) Dispensary for Pet and Animals.
- v) Primary School / Middle School.
- vi) School for Mentally / Physically Challenged.
- vii) Technical Training Centre (I.T.I / Polytechnic / Vocational Training Institute/ Management Institute / Teacher Training Institute, etc.
- viii) Facilities- Bus terminal, Taxi stand, milk / vegetable booths, religious premises, vending booth, petrol / CNG filling pump, recreational club, police post, police station, fire station, post office & telegraph office and telephone exchange.

### 2.2.3 Mixed Land Use: (Annexure – 3 to 14)

As per MPD-2021 provisions to meet the growing demand of commercial activities and to overcome the shortfall of available commercial space, a liberalized provision of mixed use in residential areas has been adopted adhering to the requisites of the environment, while achieving better synergy between workplace, residence and transportation. 2183 streets have been notified by the GNCTD vide notification dated 15.09.06 for local commercial and mixed use activities and local commercial streets subject to amendment from competent authority time to time. A list of mixed land use streets falling in zone H is at Annexure-3.

### 2.2.4 Housing for the Urban Poor

#### A Resettlement Colonies:

There are three resettlement colonies namely Wazirpur, Shakarpur and Mangolpuri in this Zone. These colonies have mixed land use character and most of these have been provided with essential services. The immediate need is service i.e. water, sewage & electricity. To ensure better environment the construction of houses needs to be as per approved / standard plan. The redevelopment schemes giving emphasis on mixed land use and providing other facilities and infrastructure shall be prepared by local bodies.

**B New housing for the urban poor:**

New housing should be in the form of one or two room units which would be developed through Public and private agencies through cooperative societies as per Govt. policies.

The developers of group housing shall ensure that minimum dwelling units constructed for community service personnel / EWS and lower income category shall be as per norms prescribed.

**C Night Shelter:**

Night shelter shall be provided at areas / locations where concentration of Industrial worker / Labours/ unorganized work force is more such as in areas like Wazirpur Industrial area, Mangolpuri Industrial area and Lawrance Road Industrial area etc.

**2.2.5 Influence Zone:**

As per Master Plan 2021 Para, 3.3.2, Influence Zone along MRTS Corridors and the Sub Zones for redevelopment and renewal should be identified on the basis of physical features such as metro, roads, drains, high tension lines and control zones of monuments/ heritage areas etc. This identification is to be done in consultation with GNCTD.

In Zonal Development Plan the number of colony roads, local drains, high tension lines where heritage areas etc. are not indicated, therefore, boundary of Influence Zone has not been indicated in the Zonal Development Plan. It will be shown only in the local area plans, which are more sites specific.

**2.3 WORK CENTRES****2.3.1 Industries:**

The classification of industries is proposed to be simplified with prohibited category and non-prohibited category subject to proposals regarding specific category of industries permitted in different use Zones.(MPD-2021).

Further, all planned industrial areas in Zone-H are designated under a single land use category namely, industry. The Standards prescribed by the Pollution Control Authorities would have to be met by all industrial units, in addition to specific conditions terms of number of workers and power load in specified categories.

## A **Redevelopment of Existing Planned Industrial area:**

In north Delhi there are four planned industrial areas in Zone 'H' namely:

- i) Wazirpur.
- ii) Lawrence Road.
- iii) Badli.
- iv) Mangolpuri Phase –I & II.

There is a need for modernization and up gradation of the existing industrial areas with due regard to environmental consideration. Since most of the industrial areas are located along the Mass Public Transport Corridors, there is also a need of redevelopment.

This process of up gradation and redevelopment will need to be carried out in a planned manner, and in public-private partnership framework, in which the entrepreneurs contribute to the betterment and subsequent maintenance through suitable Operation and Maintenance arrangements.

### **Common Effluent Treatment Plant: (C.E.T.P)**

On the basis of the directions of Hon'ble Supreme Court, and within the frame work of MPD-2021 sites for Common Effluent Treatment Plants have been identified as under:

- i) Opposite Wazirpur District Centre on a land between Ring Road and Railway line.
- ii) Wazirpur Industrial Area.
- iii) Mangolpuri Industrial Area (Phase- I)

## B **Redevelopment of Unplanned Industrial Area:**

The Govt. of Delhi has notified these non-conforming clusters of industrial concentration having more than 70% plots in the cluster with industrial activities for redevelopment vide notification dated 5.12.2005:

1. Shalimar Village.
2. Haiderpur Village.
3. Rithala Village.

These will be dealt further as per the provisions for redevelopment in MPD-2021.

### 2.3.2 Trade and Commerce

As per the MPD-2021 the five tier hierarchy of Commercial areas is envisaged to accommodate required shopping, commercial office and other service activities like cinema, hotel and restaurant and various community services and facilities in an integrated manner. Service Market and informal Bazaar need to be integrated with District Centres wherever possible. Involvement of Developers, Owners Associations in up gradation of infrastructure and built environment in Old District Centres is recommended.

In addition, some components of commercial use have been provided under mixed use and informal sector.

#### A District Centre:

There are four District centers proposed in this zone:

- i) District Centre Netaji Subhash Place (Wazirpur)
- ii) Shalimar Bagh.
- iii) Rohini-Twin District Centre.
- iv) Manglam Place.

District Centres at Shalimar Bagh and Rohini (Adjoining Swarn Jayanti Park) are yet to be developed.

#### B Community Centre:

As per the Zonal Development plan, 25 sites for Community Centres have been identified. Out of these Community Centre Sites are located in Industrial Pockets of Sub-Zone H1 to H6 namely Lawrence Road Industrial Area, Mangolpuri Phase I & II and Wazirpur Industrial Area.

### 2.3.3 Informal Trade and Commerce

#### Service Markets / Informal Bazaar

Special attention is required for the low turnover and space extensive shops for fruits and vegetables, service and repair, junk and scrap materials (Kabari), building materials, automobile workshops etc. The grouping of such activities with planned retail markets leads to conversion of shops into high profit commercial activity.

There is a need to provide for organized informal eating places with casual shopping and cultural activities etc. to be located strategically in the city for Zone 'H'. A such informal place (Dilli Haat) is provided near T.V. Tower.

#### 2.3.4 **Government Use:**

District Courts, Rohini at the junction of the Outer Ring Road and Road No.41 is a major employment center on Government land. Government lands which are underutilized and in old and dilapidated state shall be redeveloped as per norms given in MPD-2021. A large pocket of Railway land is identified near Shakur Basti. The optimum utilization of all the Government lands shall be worked out.

### 2.4 **SOCIAL INFRASTRUCTURE**

The facilities at the Zonal Plan level have been indicated on the plan but the facilities at the neighborhood level shall be worked out at the time preparation of Local Area Plans. There is very little scope for development, but where ever redevelopment shall take place, MPD-2021 norms shall be followed.

#### 2.4.1 **Health**

As per MPD 2021, Hospitals have been broadly divided in five categories:

- a) Category A- 501 beds and above.
- b) Category B- 201 beds to 500 beds.
- c) Category C- 101 beds to 200 beds.
- d) Category D- Up to 100 beds.
- e) Other health facilities which include Maternity home, Nursing home, Family Welfare Centre, Polyclinic, Pediatric centre, Geriatric centre, diagnostic centre etc.

Three General Hospitals and 12 Intermediate Hospitals have been provided in this Zone.

The shortage in the availability of number of beds per thousand population (as per WHO 5 beds per thousand population is proposed to be meet through).

- a) Enhancement in FAR for various levels of health facilities.
- b) Promoting rebuilding of the existing old hospitals.

List of Government Hospitals on sites earmarked for Sub Zone (H-1 to H-6) is as under:

Sl. No.	Name of the Hospitals	Sub-Zone (H-1 to H-6)
1.	Bhagwan Mahavir Hospital (Existing)	H-4
2.	Shastri Park Hospital (Proposed)	H-1
3.	Koki Wala Bagh, Ashok Vihar (Proposed)	H-3
4.	Keshav Puram, Lawrence Road, (Proposed)	H-2

### Hospitals Proposed in Facility Centre in Sub Zone (H-1 to H-6)

Sl. No.	Existing / Proposed Hospitals	Sub-Zone (H-1 to H-6)
1.	Proposed Hospital (FC-50) [3 Hospitals (category A & C)]	H-6
2.	Proposed Hospital (FC-53) [1 Hospital (category A)]	H-5
3.	Proposed Hospital (FC-57)] [4 Hospitals (category A & C)]	H-4

#### 2.4.2 Education:

##### A College:

As per MPD-2021, Colleges have been broadly divided in three categories. A general College for 5 lakh population on plot area as per UGC norms. A professional college (Engineering) for a 5 lakh population area as per AICTE norms. A vocational Training Centre for 5 lakh on an area of 0.4 Ha.

In this Zone 10 general Colleges and 2 Professional Colleges (Engineering) and one ITI + Polytechnic have been provided, details given In Table No.2 below:

**TABLE NO.2**

Sl.No.	College	Professional College (Engineering)	ITI + Polytechnic	Sub Zone
1.	2	1	--	H-3
2.	1	-	--	H-4
3.	1	1	1	H-5
4.	2	--	--	H-6
5.	4	--	--	H-7, H-8 & H-9
<b>Total</b>	<b>10</b>	<b>2</b>	<b>1</b>	

### 2.4.3 Sports Facilities:

There are three DDA Sports Centres in this zone:

- i) Rohini, Sector-9.
- ii) Ashok Vihar (Major Dhyan Chand Sports Complex).
- iii) Pitam Pura, Near T.V. Tower (Rashtriya Swabhiman Sports Complex).

### 2.4.4 Communications:

As per MPD-2021, the sites for Telephone Exchange and other means of Communications shall not be reserved in layout plan due to liberalization and technological advancement.

In this zone, 7 sites have been proposed at different locations where as two sites are required as per MPD-2021 norms. The facilities like Telephone Exchange shall not be reserved due to privatization and change in Technology, vacant sites will be utilized for Disaster Management Centre.

### 2.4.5 Security & Safety:

#### 2.4.5.1 Fire Stations

As per the norms, three Fire stations for every 5 lakh population are to be provided in 5-7 Km. radius. Three sites in Sub Zone (H-1 to H-6) are:

1. Wazirpur Industrial Area.
2. Keshavpuram.
3. Mangolpuri Industrial area Phase – II.

Four sites are in Rohini Zone.

More sites shall be provided to meet the requirements as per norms stipulated in MPD-2021.

#### 2.4.5.2 Police Stations:

As per MPD-2021, a police station has been proposed for a population of 2.5 lacs and area of 1.0 Ha. A police post for a population of 1.0 lac on an area of 1000 sqmts. Where as Eight Police stations and nineteen police post are required. Fifteen police stations / Police post sites have been shown in Zone H which includes existing as well as proposed sites.

#### 2.4.6 **Disaster Management Centre:**

As per MPD-2021 provisions it is proposed to have Disaster Management Centre in each Administrative Zone. The unutilized telephone exchange shall be utilized for this activity. In addition one each centre shall be provided in following major projects:

- i) Mangolpuri Industrial Area.
- ii) Wazirpur Industrial Area.

#### 2.4.7 **Distributive**

##### **Gas Godown:**

Two sites for service centre (Industrial Manufacturing/Service and Repair Industry) are shown in Zonal Plan whereas six Gas- Godown are provided in each service centre (Total 12 number).

No new Gas Godown sites are envisaged as Piped Gas supply network is being provided in Residential Colonies by Indra Prasth Gas agency.

#### 2.4.8 **Other Community Facilities:**

A number of public & semi public facilities have been augmented in the Zone mainly in Facility Centres as per MPD-2001. Other facilities like Old age home, Community hall, Religious. Dispensaries, School etc. are required and shall be provided while finalizing the layout plans.

##### 2.4.8.1 **Cremation Ground, Burial Ground:**

As per the norms given in MPD 2021, one Burial ground/ Cemetery is required for every 10,00,000 population. The cremation ground sites in sub zone H-1 to H-6 are located at Beriwalla Bagh, Haiderpur Village, and JJ Colony Wazirpur. Apart from this a Burial ground also exists at Beriwalla Bagh. Other Existing / Proposed cremation grounds and burial grounds in Rohini Zone are as under:

##### **Sector – 4**

- i) Burial Ground.
- ii) Cemetery.
- iii) Cremation Ground.

## Sector – 5

Existing Cremation Ground.

### 2.4.8.2 Jail:

The plan provides for one jail 5.06 Ha. In Sub Zone H-9 near Badli.

### 2.4.9. Regularization of existing Health Care, Educational, Cultural & Religious (Including Spiritual) Institutes existing prior to 01.01.2006 on self owned land not including Gram Sabha or Ridge land.

2.4.9.1 In pursuance of the Public Notice issued in this regard, the Authority resolved incorporation & regularization of the above uses/activities in the 'Public & Semi Public' land use category of the Master Plan. The applications of the existing Institutions as listed in the Annexure – 19 shall be examined as per the Authority resolution and as per the directions of the Central Government issued from time to time. However, the regularization of existing institutions located in the immediate vicinity of notified Ridge/Reserved Forest/Regional Park shall be subject to finalization & demarcation of the boundaries of the aforesaid respective use zones/areas. (Annexure – 19)

2.4.9.2 In case of cultural, health care and educational institutions, the structure of such institutes as existed as on 1/1/2006, but not beyond the prevailing relevant provisions of MPD-2021, shall be considered for regularization. However, in case of the existing religious (including spiritual) institutions and *vis-a-vis* the land presently owned by them, regularizations shall be subject to the condition that (a)the built up area in these cases shall not exceed FAR of 15 with maximum 15% ground coverage; (b)shall be confined to the buildings, which are directly related to the use activities – religious (including Spiritual); (c)the structures are existed on 1/1/2006 shall only be considered; and (d) the remaining area shall be kept as “green area” with no construction to permitted in future.

The regularization of all the above institutions shall be confined to those listed in the Annexure-III of this Plan or those cases recommended by DDA to the Government on or before 8<sup>th</sup> March, 2010, & shall be undertaken only after ensuring that the change of land use u/s 11A of DD Act, 1957 is notified in conformity that such individual cases shall not be considered for regularization, if the site in question is located:

- a) On Public/Government land; or on land acquired by DDA;
- b) On encroached land; or on illegal occupied land;
- c) In notified or reserved forest area;
- d) In area of right of way infrastructure such as of existing/proposed railway lines/master plan roads, major trunk water supply and sewerage lines etc.;
- e) Or if it violates the provisions of the Ancient Monuments and Archeological Remains Act, 1958, amended from time to time;
- f) Or in cases where there is a Court order restraining change of land use or for eviction/ vacation of premises.

2.4.9.3 Further, regularization orders of these categories of institutions shall not be considered as approved, unless the requisite payment of penalty / levy / additional FAR charges etc. are deposited by the applicant Institutes; all the conditions prescribed by the Government are fulfilled and formal 'Regularization Orders' are issued by the DDA. None of the above institutes shall, however, be entitled to put the land to any other land use at any time, and doing so shall invite takeover of land by the DDA for alternative uses, on payment of reasonable compensation.

## 2.5. CIRCULATION NETWORK

The Zonal Plan indicates circulation network, which is based on secondary source data. The actual detailed alignment will be with reference to the actual detailed project report/ site survey and thus may undergo minor modifications at the time of finalizing the road alignment which will be incorporated in the sector plans/ layout plans. A realistic strategy of compensation and rehabilitation of project affected persons is recommended under these plans / areas.

### 2.5.1 Road Network

Zone – H is well connected with the master plan roads and with the railway network for the intricate movement of passengers and goods. Moreover, Master Plan roads directly serve the proposed / existing facility centers and the residential hubs of the areas. The predominant movement of this zone is mainly through the existing Master Plan roads. The zone is served by outer Ring Road, the Delhi Rohtak Railway line passes through the southern fringe of this zone. The major arterial road like Ring Road is diagonally penetrating through this Zone. Moreover Road No. 37 which is presently connecting to Road no. 40 and Ring Road has been further extended along the Western Yamuna Canal passing through the already built up Pitampura colony and connecting to the Outer Ring Road. The Road no. 37 and its extension divide the zone in two parts. Road no. 41 which connects inner ring road and outer ring road extends into Rohini and forms central arterial

road of the Rohini scheme. Road no.43 connects the GT road in East with Mangolpuri Industrial area in west, passing through the various sub Zone viz H-2 to H-5 this is a major link serving. The work centers like Lawrence Road Industrial area, Mangolpuri Industrial area and land under Facility Centres etc.

### **Hierarchy of Roads:**

The Zonal Plan primarily indicates roads of 18 meter and above R/W for smooth flow of the traffic. The following is the hierarchy of the road system;

#### **1) 60 M R/W**

- i. Auchandi Road.
- ii. Outer Ring Road.
- iii. Inner Ring Road.

#### **2) 30 M to 45 M R/W**

Roads Nos. 40, 41, 43, 37 and Proposed Road No. 37 Extn. Along Western Yamuna Canal. Other major Links areas between sub Zone H-8 and H-9.

#### **3) 24 M to 30 M R/W**

With the various Sub-division of inter connecting roads having R/W of 24 M and 30 M have been provided. The plan also indicates a number of roads of 18 M and above as per the approved layout.

### **2.5.2 Road Development Plans:**

All the road owning agencies shall get Road Development Plan prepared for 30 M & above R/W Roads shown in MPD-2021 along with interchange details of junction / intersection falling in the alignment showing location of bus stop, metro station & the pedestrian linkage for smooth changeover from one mode to another.

### 2.5.3 Road Network not implemented:

The following Road network is not implemented:

- i) Prem Bari Pul (Pitampura) to Outer Ring Road along disused Western Yamuna Canal (Road No. 37 Extension).

### 2.5.4 Grade Separators:

MPD-2021 Indicates the need for provision of inter-section with grade separator. In case of existing grade separator the possibility of providing clover leaf and direct inter changes wherever necessary and feasible may be technically examined to make the junction signal free. These are to be identified at the inter section of all roads of 30 M and above R/W. Following intersections with grade separators have already been identified.

1. Road No. 41 and Outer Ring Road crossing (Madhuban Chowk) is a major intersection and caters to very heavy traffic.
2. Road No. 43 and Outer Ring Road crossing near Mangolpuri.
3. Road No. 37 and Inner Ring Road crossing near Shalimar Bagh.
4. Inner Ring Road and the proposed 30 m Road near village Shakurpur (Britania Chowk.).
5. Outer Ring Road and Railway line crossing near Shalimar Place.
6. Inner Ring Road and Railway line crossing near Wazirpur Industrial area.
7. Inner Ring Road and District Center Wazirpur Crossing.
8. Extended Road No. 37 and Outer Ring Road crossing near proposed Jail in Rohini.

### 2.5.5 Mass Rapid Transit System (MRTS):

Phase - I of the elevated Metro Corridor from Shahdara to Rithala in Rohini is already operational in this zone.

### 2.5.6 Integrated Multi – Modal Transport System:

Integrated Multi - Model Transportation proposal duly approved may be earmarked / incorporated on the Zonal Plan with the help of DIMTS, GNCTD.

It is envisaged that the future transport system shall consist of a mix of rail and road based systems which may include Metro Rail, Ring Rail & Dedicated

Rail Corridors for daily commuters, (IRBT/RRTS Corridors as identified in NCR plan 2021).

Other mass transit modes shall be introduced as technologies become available. Intermediate Passenger Transport (IPT) and private modes on selected corridors is to be identified as per the needs from time to time. All roads should be made pedestrian, disabled and bicycle friendly as far as possible.

In zone 'H' Tri Nagar corridor, the Metro Station and Metro Corridors are elevated and catering to large crowd till Rithala. Preparation of detailed multi modal transport plans with reference to each major Metro Station, with particular reference to bus transport routes, which could provide inter-linkages and feeder arrangements, is envisage.

#### **2.5.7 Bus Terminals:**

As per norms stipulated in MPD-2021, 21 terminals and 4 bus depots are required for the projected population of this Zone. At present, five sites have been provided in Rohini and two sites in Mangolpuri. In addition, one site already exists in Lawrence Road where a site for bus depot has been provided. More sites have been provided to meet with the requirement at suitable locations.

#### **2.5.8 Railway Stations:**

Railway Station at Shakur Basti is a major station in Zone-H. For Inter city movement, a new Railway Station at Rampura with proper approach from main Roads is provided.

#### **2.5.9 Goods Movement by Rail:**

The goods are terminated at Kela Godown near New Azadpur Mandi.

#### **2.5.10 Cycle Tracks and Corridor for Pedestrian:**

The pedestrian pathway / cycle tracks have been proposed along the existing Nallah and along the green / open areas. Some Master Plan Roads of this Zone have been identified for pedestrians and cyclists. These are required to be developed for connecting the residential colonies of this areas. The environmentally well connected system for cyclist and pedestrian at the time of detailing these pathways proper attention is needed for the development of intersection areas to regulate the vehicular movement and slow moving traffic i.e. pedestrians and cyclists.

Pedestrian pathways have been proposed along the existing Nallah; green area and along the inner Ring road passing through different sub -zones as indicated in the Zonal Development Plan.

Proper environmental design need to be developed so that it may be matched with the built environment of the residential localities. Professional attention is to be given to develop the pathways along with green so that it could not be much distributed. In addition, exclusive pathways are being proposed through district parks and neighbouring park so that pedestrian can move freely for approaching to the work centres within the areas. Detailed designs to be developed of following areas to connect pedestrian pathway to the District Center at the time of preparation of local area plan.

1. Road No. 37 along western Yamuna canal and further extending in sub-zone H-9 along the existing drain connecting Auchandi Road.
2. Along Road No. 43 connecting Mangolpuri and Lawrence Road work centres.
3. Along inner ring road connecting Wazirpur and Lawrence road work centres.

#### 2.5.11 Fuel Stations:

##### A. **Petrol Pump:**

As per MPD-2021, about 124 fuel stations sites are required to be provided in this Zone 34 petrol pump sites existing / proposed in sub zone (H-1 to H-6) and 29 sites in sub zone H-7, 8 & 9 (Rohini & Mangolpuri) are shown in zonal plan. However remaining sites are, therefore to be located while preparing Local Area Plans as per the norms laid down in the Master Plan - 2021.

##### B. **CNG Stations:**

To combat the increasing vehicular pollution in the city the use of CNG as vehicular fuel (Both for petrol and diesel driven vehicles) have been emphasized. Realizing the urgency and importance of protection and realizing the urgency of improvement of the Hon'ble Supreme Court has given order dated July 28, 1998 on control of vehicular pollution in National Capital Region including Delhi. One of the steps need to be taken is by GAIL to expedite and expand from 9 to 80 CNG Supply Outlets.

CNG sites are to be located while preparing Local Area Plans and Layout Plans as per the norms laid down in the Master Plan- 2021. Till

such time, already existing authorized CNG service stations for Public Transport Vehicles may continue for this purpose alone.

#### 2.5.12 **Parking:**

With the phenomenal increase in personalized motor vehicles, one of the major problems faced is an acute shortage of parking space. Parking has become a matter of serious public concern and requires a carefully considered policy and planned measures to alleviate the problem to the maximum feasible extent in existing areas and for adequate provisions with reference of future developments. A Traffic & Transportation study is to be done before implementing large parking lots for smooth traffic movement in the area. In this background about 100 surface parking sites have been proposed in the city out of which the following sites area in Zone-H.

- i) Shalimar Bagh
- ii) AD Block Shalimar Bagh Commercial Complex
- iii) Rajiv Gandhi Cancer Hospital, Rohini
- iv) Outside MCD Zonal office, Rohini, near kala Mandir, Mangolpuri

#### A **Park and Ride:**

Park & Ride lots are available on MRTS stations like Tri Nagar, Rithala etc.

#### B **Public Parking:**

The major efforts will have to come through the creation of public facilities in designated commercial / work centres and other areas, corridors where significant commercial activity has developed by way of mixed use. In the context of the latter, it would also need to be linked to pedestrianisation within the identified areas.

#### C **Parking Facilities in DTC depots:**

The Bus depot (Wazirpur) is operating under Delhi Transport Corporation. The use of DTC Terminals and Depots for development of public parking along with parking of DTC buses, private buses and chartered buses should be explored and specific projects developed supported by Traffic & Transportation studies.

**D Under Ground Parking:**

Based on the Traffic and Transport study, parking facilities can be created under the open spaces without disturbing the green areas in the surface and surrounding environment. The approvals from the concerned agencies are mandatory before taking up such works.

**E Parking in Residential Areas:**

Most of the parking is, in fact being done on the road, which significantly reduces the carriageway width. The problem has been exacerbated by the traffic congestion generated by Schools in residential use areas. Following measures may to some extent deviate the problems.

- i) All the encroachments on residential streets in the form of Kitchen gardens/ roadside private greens, large projections/ramps etc. need to be removed.
- ii) Road cross sections may be redesigned wherever possible to accommodate planned car parking along the residential streets, and also creating more surface movement space.
- iii) Other options, in selected areas, such as creation of underground parking below parks and open spaces will also have to be considered.
- iv) Resident Welfare Associations will have to be called upon to participate in this process by raising contributions from the residents on the basis of objective criteria such as number of cars owned by each family.

**F Multilevel Parking:**

Multilevel parking facilities should preferably be developed in the designated parking space or in the residential public semi public facilities, commercial transport mode. In MPD-2021, a multilevel parking proposed at Manglam Place. Multilevel parking facility shall also be developed in the following parking spaces subject to availability of land / feasibility by the concerned local body.

- i) Rani Bagh Market.
- ii) Dilli Haat near T.V. Tower.
- iii) Mangolpuri Industrial area.
- iv) Wazirpur Industrial area.

- v) Lawrence Road Industrial area.
- vi) Ashok Vihar.

## 2.6 ENVIRONMENT:

### 2.6.1 System of Open Spaces:

The major green areas are supplemented by area earmarked for neighbourhood parks and play areas provided in residential area. These would server a linkage for continuous green through major green areas. Both these areas have been shown in the zonal plan the table below indicate the available green area in the zone.

1. District Park, Nurseries, Children Park, Play Grounds, Sports Centers, Divisional Sports Centers etc.
2. Neighbourhood Park and Neighbourhood Play Areas.

### 2.6.2 Protected Forest Area:

The plan identified the land conferred by section 30 and 32 on the Indian Forest Act 1927 vide Notification No. SCD (C) Noti. 80-81: dt. 10.04.81. As per the notification following areas have been identified as protected forests:-

1. Shalimar Bagh and other orchards situated therein.
2. Area between Sadhora Kalan, Nimri, Gulabi Bagh, Darbar Khan Nursery and other areas.
3. Orchard in Wazirpur near Bharat Nagar and Nimri Colony.
4. District Park in between Pitampura Co-op. Housing Society.

Out of four areas mentioned above, Shalimar Bagh is a site of historical importance. This area is bounded by 24 m road in the North and Western Yamuna canal in the West unauthorized construction in the East and North. As this area is subject to unauthorized encroachment, development schemes/landscape plan for up gradation of the environment is the need of the time. Apart from this, there are few orchards in Rohini scheme. These should also be protected and taken care for improvement of this area.

### 2.6.3 Multipurpose Grounds:

The network of the multipurpose grounds as a special category for holding marriages and other special functions has been proposed. These multipurpose grounds at the Community level shall be up to 2 Ha., District level 4 Ha. and 8 Ha. at the city (zone) level.

As per the details given by Landscape unit, DDA, some of the Zonal level and District level multipurpose Grounds are:

- i) Zonal Level (8 Ha.) – Avantika, Sector- 1, Rohini and Sainik Vihar
- ii) District Level (4 Ha.)- District park & Old Orchard at Ashok Vihar and Lekh Ram Park, Ashok Vihar

Already approved parks on 60' and above roads for holding marriages by the Local body/MCD shall be designated as multipurpose grounds.

#### 2.6.4 **Water Bodies** (Annexure – 15)

As per MPD-2021, water bodies having a minimum surface area of 1 Ha. shall be Preserved by concerned Authorities. There are 7 water bodies located in the area (Annexure – 15 & 16). Out of these 3 water bodies having area of 1 Ha. And above are in Rohini.

Source: List of Water Bodies prepared by MCD.

#### 2.7 **AREAS OF URBAN DESIGN**

A city is an assemblage of buildings and streets, system of communication and utilities, places of work, transportation, leisure and meeting places. The process of arranging these elements both functionally and beautifully is the essence of Urban Design.

The aspects need to be consider to arrive at the basis for policies affecting the urban fabric namely:-

- (i) Areas of significance in built environment.
- (ii) Visual Integration of the city.
- (iii) Policy on unhindered access movement, parking and pedestrian realm.
- (iv) City structure plan and Urban Design objective.

The area identified for urban design in Zone-H in Ashok Vihar. While travelling in metro between Inderlok, Kanhaya nagar and Keshavpuram a unique city park has emerged in Ashok Vihar as an important land mark of North Delhi. The small parks already existed can be integrated with open spaces. The park will have haats, fair grounds, sports facilities and jogging tracks as well as space for outdoor cultural events.

## **2.8 CONSERVATION OF BUILT HERITAGE:**

### **2.8.1 Special Conservation Plans (Annexure – 17)**

Each local body/ land owning agency shall formulate “Special Development Plans” for the conservation and improvement of listed heritage complexes and their appurtenant areas. Alteration or demolition of any listed heritage building is prohibited without the prior approval of the Competent Authorities.

The development plans/schemes for such areas shall conform to the provisions, in respect of Conservation of Heritage Sites including Heritage Buildings, Heritage Precincts and Natural Feature Areas.

According to the Built Heritage, INTACH – Delhi, many monuments of historic importance namely Sheesh Mahal, with two small pavilions on the north side of Sheesh Mahal. A Tank and a Well exist in the Zone H adjacent to Shalimar Bagh police station. All these are under serious deterioration. These are being protected by ASI except for the well which is the joint ownership of ASI and DDA. The well is unprotected, however, water from the well is still used to water the gardens. Apart from this a 30 M Rubble Masonry wall about 3.0 M high located at Swami Nagar Road, Shastri Nagar under the ownership of MCD and ‘Police new Clothing Deptt.’ owned by Delhi Police at Old Rohtak Road are also of Heritage Importance. These are also under serious deterioration.

## **2.9 PHYSICAL INFRASTRUCTURE:**

As given under the requirement of Water, Sewerage, Power and Solid Waste Disposal for this Zone, It shall be worked out in consultation with the concerned department and the Engineering Wing of DDA.

### **2.9.1 Water Supply:**

No such site has been provided in zone H-1 to H-6. However, one site (42 Ha) is existing in sub zone H-9. Rohini Residential scheme and the same is indicated on the plan. The water treatment plant would require augmentation to raise its capacity to 216 mgd. As per MPD-2021 to provide additional water supply augmentation of existing water treatment plants to be carried out the provisions of water treatment plant to be monitored depending on availability of raw water and need of potable water. In zone H the Haiderpur Plant I & II need to be augmented.

### 2.9.2 Sewerage Treatment Plant:

The plan identifies one site for sewage treatment plant near village Rithala. It is spread on an area of 79.3321 hect. Apart two more sites have been reserved for sewerage treatment plant in sub zone H-8 (150 hect Mangolpuri Industrial Area). As per MPD-2021 a new plant in Rohini is to be provided.

### 2.9.3 Drainage

A division has already been developed on the basis of the layout plans. It is assumed that the requirement of the drainage system for the planned colonies has already taken care of. However, efforts should be made by the local agencies to provide a suitable drainage system for the unauthorized colonies, urban villages and JJ resettlement schemes, and other area where such facilities are still lacking:

There are two drains passing through this zone.

1. Najafgarh Drain
2. Nangloi Drain

As per MPD-2021, it is recommended to develop green along the drains for ground water recharge.

### 2.9.4 Electricity

The zone has two 220 KV sub-station and thirteen 66 KV substations. These are evenly spread and are indicated on the plan.

## 2.10 LAND USE PLAN:

The Zonal Development Plan has been detailed out taking into consideration the various proposals/approved layout plans and schemes. The plan also takes into consideration and incorporates the requirements for the community facilities, green areas, infrastructure and traffic and transportation etc. The land use analysis is as under:

### 2.10.1 Land Use Analysis

Taking into consideration change of Land use cases and Zonal Development Plan proposals / Modifications, Land use analysis is given in Table No.3

**TABLE NO.3**

<b>Sl. No.</b>	<b>Land Use</b>	<b>Area (Ha.)</b>	<b>Proposed percentage (%) as per ZDP-H, MPD-2021</b>
1.	Residential	2756.65	51.24
2.	Commercial	241.45	4.49
3.	Industry	307.954	5.72
4.	Recreational	836.886	15.55
5.	Transportation	471.64	8.76
6.	Utility	222.35	4.13
7.	Government	133.08	2.48
8.	PSP Facilities	410.99	7.63
	Total	5381.00	100%

### Annexure – 1 (Refer 1.3.1)

#### Status of Zonal Plan

**Status of Zonal Plans (now Sub – Zones):** As per 1962 Master Plan, the Zone (Planning Division-H) had 8 sub zones viz. H-1 to H-8.

The following table indicates status of these sub-zonal development plans (earlier Zonal Development Plans) formulated and processed with the framework of Master Plan of Delhi 1962 with the area of each sub-zone:-

S.No.	SUB-ZONE	AREA (Ha.)	STATUS	REMARKS
1.	H1 (Gulabi Bagh)	216.2	Approved	Approved by Central Govt. dt. 21.11.67
2.	H2 (Lawrence Road)	335.2	-do-	Approved by Central Govt. dt. 21.11.72
3.	H3 (Wazir Pur)	575.8	-do-	Approved by Central Govt. dt. 22.09.73
4.	H 4, 5 & 6 (Shakur basti, Pitampura & Shalimar Bagh)	1790.26	-do-	Approved by Central Govt. dt. 02.04.73
5.	H 7 and H 8	2824	-do-	Zonal Plan not approved pertains to Rohini Project, Mangolpuri Colony and Mangolpuri Industrial Area Phase-I & II

### **Annexure – 2 (Refer 2.2.2)**

#### **LIST OF URBAN VILLAGES IN ZONE-‘H’**

##### **ZONE (H 1 TO H 6)**

Sidhera Kalan

1. Rampura
2. Wazirpur
3. Shakurpur
