

## 15. REFURBISHMENT OF DDA ROSHANARA CLUB

Status – **IN PROGRESS**

The **Roshanara Club** is more than a Century old facility and the club was closed for about 1.5 years and to be re-opened for its members. The Clubhouse building, furniture & facilities are in dull condition due to lack of maintenance and up keep.

**Hon'ble L.G.** suggested that the theme and façade of the club building is to be retained.

Therefore, repairs & renovations are being carried out in the Clubhouse building to match the original theme and specialised agencies are engaged for exquisite type of works.
