Secretary, (CRB)
Date: 7.8.9
By No. _____
Date: 7.8.9

Subject: Inspection of works executed by M/S.D.R.S. ROOFTECH & INFRASTRUCTURE PVT. LTD. Who have applied for enlistment on class II (civil) in DDA.

Ref.: F.4(8)02/2009/1(Civil)/SECY/CRB/558 dated 4.8.09.

With reference to the above, the work of C/O ware house Building with office building with roads and other infrastructure at village Palwal - District Faridabad, Haryana was inspected on 14.8.09. The findings are elucidated below.

The warehouse has been constructed in ten lacs sq. feet out of which five lacs sq. feet is covered. The covered area comprises of OFFICE BUILDING, WARE HOUSES AND REVOLVING RESTAURANT. Including infrastructure. The work has been successfully completed as per structural and architectural concepts of consultant i. e. Densfab Engineers. Other than ware houses, the dormitory building is three storied and office building is two storied. All types of work i. e. construction and infrastructure including water harvesting system have been completed in the area of twenty one acre. The total amount of work done is 29 corers. The stipulated date of start and completion was 1.01.07 & 1.12.07 respectively and work actually completed on 6.12.07. The work completed in time, hence no penalty imposed as per Annexure 'A'.

As per one above facts and in the opinion of U.S. the agency has completed the project and since the agency is ISO certified the quality consciousness is found satisfactory with good managerial capacity positive approach and time awareness. The company is financially sound with adequate T&P which is also an important factor for overall performance and efficiency. So, the company fulfils the requirement for getting registered in class-III in the department.
