Unprecedented heavy rains and cloudbursts has caused massive damage to the infrastructure in the state of Himachal Pradesh. Large number of lives have been lost as also livelihood in the State because of this natural disaster.

2. In this crisis situation while Govt. of India is already aiding the state, it was discussed with officers whether officers and staff may also contribute financially on purely voluntary basis towards rehabilitation of the unfortunate individuals and families in HP who have lost their property, livelihood and lives.
