Dated: 24/03/2022

MEDICAL CIRCULAR

Sub: Regarding Chronic/Special/Post-operative claims of Max Super Speciality Hospital, Saket (East Block) and Max Super Speciality Hospital, Patparganj

Max Super Speciality Hospital, Saket (East Block) and Max Super Speciality Hospital, Patparganj were removed from list of the Hospitals empanelled with the DDA with effect 19.03.2021. It is observed that DDA medical beneficiaries have submitted claims for their chronic diseases treatment taken from these hospitals beyond 19.03.2021 in lack of awareness and are facing difficulties in getting reimbursement of the claims.

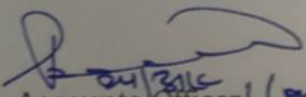

In order to relieve the DDA medical beneficiaries from the financial hardship, the competent authority is pleased to approve that a six months' window be given to DDA medical beneficiaries from the date of the removal (i.e. 19.03.2021).

Accordingly, those beneficiaries who have taken treatment during this period due to lack of awareness/information may be reimbursed as per the extant guidelines under chronic/special/ post-operative disease claim as a special case.
