**MEDICAL ADVISORY**

At present approximately 262 hospitals are on panel of DDA. Panel hospitals charge CGHS rates for treatment taken in them. If a DDA medical beneficiary takes treatment from non-panel hospitals, they charge their own rates/fees which are more than the rates prescribed by the CGHS. In such cases the reimbursement is restricted at CGHS rates.

In view of above, it is advised that treatment should be taken in Panel/Government hospitals to avoid any financial hardship to the DDA medical beneficiaries.
