Circular

Dated: 25/1/23

During field inspection of processing centers by senior officers, it was found that the execution of CD / AS is not being done through the execution module in the online portal for PM-UDAY. The QR code functionality was implemented by BISAG-N in the execution module of the online portal long time back and the same is not being utilized by the processing centers.

2. In this regard, it is directed that all Dy. Directors / Assistant Directors of processing centers shall ensure that the execution of CD / AS be done through execution module only. Every CD / AS issued by the processing center should have the case ID and the QR code automatically generated through the PM-UDAY online portal.

This issues with the approval of the Competent Authority.
