4. Coaching is provided on revenue sharing basis. The share of coaching charges for all outdoor coaching would be 60:40 between the coach/agency and DDA respectively. However, for facilities for which DDA provides most training aids, and indoor facilities, the ratio of sharing would be 50:50.
5. Mandatory free coaching is to be provided by the coaches/coaching agencies to at least 10% of the trainees from economically weaker sections who have potential in the sport. Extension of coaching contracts would not be provided where the coaches/agencies have not imparted free coaching to the minimum number of trainees. If the Management considers appropriate to impart coaching to economically weaker section

more than 10% of the total number of trainees, then the Management would pay the coaches/agencies their share of the coaching fees for the additional number of EWS trainees over and above the mandatory 10%.

6. The days of the week and timings for imparting coaching would be decided by the Management as per requirement and availability of facilities.
7. Professional coaches/coaching agencies should submit detailed proposals indicating the preference of sports complex in order of preference. Proposals should contain details of coaches/assistant coaches. Details of awards for recognition in coaching and achievement of trainees should also be furnished.

Coaching experience to be enclosed should be from clubs, govt recognized schools / colleges / other educational institutions, sports federations, govt bodies, etc. If applicant is an individual then he / she should be the head coach.

11. A maximum of two sports complexes would be awarded to any coach/coaching agency in any discipline.
12. Sports facilities at the sports complexes during peak hours, i.e., 6.00 a.m. to 8.00 a.m. and 6.00 p.m. to 8.00 p.m. would generally not be available for coaching and utilization of facilities during these timings would be exclusively for members. However, if there is any spare capacity, as assessed by the Secretary of the complex, coaching can be permitted during these hours also, subject to conditions.
13. At each sports complex, in each discipline generally only one coaching contract would be awarded for a particular level of coaching. However, for different levels of coaching, i.e., basic, intermediate and advance in the same discipline, there can be different coaches/agencies at a particular complex. However, depending on the requirement and availability of facilities, more than one coaching contract in any level of coaching can also be awarded at a sports complex.
14. Differential in coaching rates for members and non-members at all sports complexes would be uniform at 25% additional charges for non-members.
15. The proposed monthly charges to be paid by members should be clearly indicated in figures and words in the financial bid of the proposal. The charges for non-members would be 25% more than that payable by members. Applicable GST would be charged on the coaching fees. The proposed monthly fees to be charged from members should

be submitted in a separate sealed envelope as per proforma at Annexure-III. However, over and above the monthly coaching charges, coaches/agencies would not be permitted to charge any refundable/non-refundable entry fees. Coaching charges would be collected by the respective sports complex and the share of the coach/agency would be remitted by NEFT / RTGS by the complex on or before the 7th day of the following month. Trainees would be charged coaching fees for only one month in advance at a time.

16. Rates for similar level of coaching in a particular discipline should be comparable between complexes according to the location and membership profile of the complex.
17. Coaches / agencies would need to clearly state in their proposal details of cost of additional inputs, training aids and playing equipment which they intend to provide to the trainees on request. Specifications and rates for these inputs, equipment, etc., would require to be approved by the management of the complex and would be displayed on the notice board of the sports complex as well as mentioned in the coaching contract. Apart from the items mentioned therein, no other item can be provided to trainees on payment basis. For any change of rates of approved items, prior approval of the management is required to be obtained by the coaches / agencies. Payment for these approved items can be received directly by the coaches/agencies and no share of revenue from these need to be paid to DDA.
