TERMS AND CONDITIONS:

- 4. Coaching is provided on revenue sharing basis. The share of coaching charges for all outdoor coaching would be 60:40 between the coach/agency and DDA respectively. However, for facilities for which DDA provides most training aids, and indoor facilities, the ratio of sharing would be 50:50.
- 5. Mandatory free coaching is to be provided by the coaches/coaching agencies to at least 10% of the trainees from economically weaker sections who have potential in the sport. Extension of coaching contracts would not be provided where the coaches/agencies have not imparted free coaching to the minimum number of trainees. If the

Management considers appropriate to impart coaching to economically weaker section more than 10% of the total number of trainees, then the Management would pay the coaches/agencies their share of the coaching fees for the additional number of EWS trainees over and above the mandatory 10%.

- 6. The days of the week and timings for imparting coaching would be decided by the Management as per requirement and availability of facilities.
- 7. Professional coaches/coaching agencies should submit detailed proposals indicating the preference of sports complex in order of preference. Proposals should contain details of coaches/assistant coaches who would be involved personally in imparting coaching along with their qualifications, experience and achievement as coaches and/or as national and international sports persons. Details of awards for recognition in coaching and achievement of trainees should also be furnished.
- 8. The agency (if applicant is agency and not an individual) should have prior experience of atleast 5 years of imparting coaching in the sport in which it has applied. Coaching experience to be enclosed should be from clubs, govt recognized schools / colleges / other educational institutions, sports federations, govt bodies, etc. If applicant is an individual then he / she should be the head coach.
- 9. If details of the same Head Coach and other coaches including Asst Coaches are submitted by more than one agency, then evaluation of bids of these agencies would not be done. Besides, coaches, Assistant Coaches and support staff would be required to give undertaking that they have submitted their willingness to be part of coaching programme only for a particular agency and not for any other agency.
- 10. The documents submitted by the bidder will be self attested by the authorised signatory of the Agency. The bio-data and certificates of coaches enclosed with applications will be self attested by the coaches and assistant coaches.
- 11. A maximum of two sports complexes would be awarded to any coach/coaching agency in any discipline.
- 12. Sports facilities at the sports complexes during peak hours, i.e., 6.00 a.m. to 8.00 a.m. and 6.00 p.m. to 8.00 p.m. would generally not be available for coaching and utilization of facilities during these timings would be exclusively for members. However, if there is any spare capacity, as assessed by the Secretary of the complex, coaching can be permitted during these hours also, subject to conditions.
- 13. At each sports complex, in each discipline generally only one coaching contract would be awarded for a particular level of coaching. However, for different levels of coaching, i.e., basic, intermediate and advance in the same discipline, there can be different coaches/agencies at a particular complex. However, depending on the requirement and availability of facilities, more than one coaching contract in any level of coaching can also be awarded at a sports complex.
- 14. Differential in coaching rates for members and non-members at all sports complexes would be uniform at 25% additional charges for non-members.

- 15. The proposed monthly charges to be paid by members should be clearly indicated in figures and words in the financial bid of the proposal. The charges for non-members would be 25% more than that payable by members. Applicable GST would be charged on the coaching fees. The proposed monthly fees to be charged from members should be submitted in a separate sealed envelope as per proforma at Annexure-III. However, over and above the monthly coaching charges, coaches/agencies would not be permitted to charge any refundable/non-refundable entry fees. Coaching charges would be collected by the respective sports complex and the share of the coach/agency would be remitted by NEFT / RTGS by the complex on or before the 7th day of the following month. Trainees would be charged coaching fees for only one month in advance at a time.
- 16. Rates for similar level of coaching in a particular discipline should be comparable between complexes according to the location and membership profile of the complex.
- 17. Coaches / agencies would need to clearly state in their proposal details of cost of additional inputs, training aids and playing equipment which they intend to provide to the trainees on request. Specifications and rates for these inputs, equipment, etc., would require to be approved by the management of the complex and would be displayed on the notice board of the sports complex as well as mentioned in the coaching contract. Apart from the items mentioned therein, no other item can be provided to trainees on payment basis. For any change of rates of approved items, prior approval of the management is required to be obtained by the coaches / agencies. Payment for these approved items can be received directly by the coaches/agencies and no share of revenue from these need to be paid to DDA. Any deviation from this would be considered a breach of contract and would be considered at the time of review for extension of coaching contracts.
- 18. The Head Coach, coaches and assistant coaches whose name the Agency / applicant has included in the proposal at the time of bidding for the NIP, should submit a letter stating they are available and willing to work as coach for the Agency, if the Agency is awarded the Coaching Contract. - 22. No proposals from clubs would be accepted for coaching.

23. All trainees would require to fill up a form with details of terms and conditions of coaching and also indemnify DDA against any injury, loss of life, etc., caused either directly or indirectly due to the training.

EVALUATION OF PROPOSALS:

- 24. Evaluation would be strictly on the basis of supporting documents and all statements of qualification, experience and achievements will be marked only if supporting documents are submitted alongwith the proposal.
- 25. A Committee would evaluate all the proposals received for coaching in a particular discipline at each sport complex. Evaluation would be made on the basis of qualifications, experience of coaches and assistant coaches, achievements as a player, achievements as a coach, technical equipment and training kits proposed to be utilized for coaching, proposed methodology of imparting training and monitoring progress of trainees, etc. Evaluation of the technical bids would be for a total of 80 marks. Financial bids of only those coaches/agencies would be opened who obtain minimum 50 out of 80 marks in the evaluation of their technical bids. The 20 marks for financial bids would be evaluated as per the following formula:-

L x 20 Rate

Where 'L' is the lowest coaching fees submitted by coach/agency whose financial bid has been opened and 'Rate' is the coaching fees submitted by the coach/agency whose financial bid is being evaluated. Illustration of evaluation of financial bids is as follows:-

| Coaching Rate submitted by applicant | Marks out of total 20 for financial bid |

| Rs. 2000 per month | 10 |
| Rs. 2500 per month | 8 |
| Rs. 3000 per month | 6 |

26. Coaching would be awarded to the coach/agency which secures the highest combined marks from the technical and financial bids. If agencies/coaches obtain the same total marks, then coaching would be awarded to the agency which has obtained the highest marks in technical bid.

OTHER TERMS AND CONDITIONS:

27. Coaching would be awarded on contract for a period of one year, which can be extended annually for a maximum total period of five years. However, coaching contract can be terminated before the total period of five years in case of unsatisfactory performance or non-compliance with the terms and conditions of the contract.

- 28. Proposed trainer-trainee ratio should be mentioned in the proposal.
