## OBSERVANCE OF FIRE SAFETY WEEK 2024

In light of the Fire Safety Week 2024 from 14.04.2024 - 20.04.2024, DDA prioritized fire safety awareness by implementing a comprehensive program at DDA Vikas Sadan, Vikas Minar, and Rohini Zonal Office. All employees actively participated in fire drills conducted at the workplace. These drills aimed to familiarize staff with evacuation procedures and emergency exits, ensuring a swift and coordinated response in the event of a fire. To encourage engagement and knowledge retention, a competition was held for employees to create slogans or write essays emphasizing the significance of fire prevention. Informative sessions were conducted throughout the week to provide employees with a platform to ask questions, gain a deeper understanding of fire safety protocols, and learn valuable tips for preventing fire hazards at work and home.
