For avoidance of doubt, in case no Auction Process is undertaken pursuant to Clause 3.8.1 or in case Auction Process is undertaken with no increase proposed by any of the Bidders, the Authority in its discretion may declare the Technically Qualified Bidder with highest Financial Quote as the Selected Bidder.
- 3.8.6. In the event that two or more Technically Qualified Bidders quote the same highest Financial Quote (the “**Tie Bidders**”), the Authority shall identify the Selected Bidder by draw of lots, which shall be conducted, with prior notice, in the presence of the Tie Bidders who choose to attend.
- 3.8.7. In the event that the Highest Bidder withdraws or is not selected for any reason in the first instance (the “**first round of bidding**”), the Authority may invite all the remaining Technically Qualified Bidders to revalidate or extend their respective Bid Security, as necessary, and match the Financial Quote of the aforesaid Highest Bidder

(the “**second round of bidding**”). If in the second round of Bidding, only one Bidder matches the Highest Bidder, it shall be the Selected Bidder. If two or more Bidders match the said Highest Bidder in the second round of Bidding, then the Bidder whose Financial Quote was higher as compared to the other Bidder(s) in the first round of Bidding shall be the Selected Bidder. For example, if the third and fifth highest Bidders in the first round of Bidding offer to match the said Highest Bidder in the second round of Bidding, the said third highest Technically Qualified Bidder shall be the Selected Bidder.

- 3.8.8. In the event that no Bidder offers to match the Highest Bidder in the second round of bidding as specified in Clause 3.8.7, the Authority may, in its discretion, invite fresh Bids (the “**third round of bidding**”) from all Bidders except the Highest Bidder of the first round of bidding or annul the Bidding Process, as the case may be. In case the Bidders are invited in the third round of bidding, to revalidate or extend their Bid Security, as necessary, and offer fresh Bids, they shall be eligible for submission of fresh Bids provided, however, that in such third round of Bidding only such Bids shall be eligible for consideration which are higher than the Bid of second highest Bidder in the first round of Bidding.
- 3.8.9. After selection, a letter of award (the “**Letter of Award**” or “**LOA**”) shall be issued (in the format specified in Appendix XII), in duplicate, by the Authority to the Selected Bidder and the Selected Bidder shall, sign and return the duplicate copy of the LOA in acknowledgement thereof as per the period prescribed in Clause 1.3 of this RFP. In the event the duplicate copy of the LOA duly signed by the Selected Bidder is not received within the period prescribed in Clause 1.3 of this RFP, the Authority may, unless it consents to extension of time for submission thereof, appropriate the Bid Security of such Bidder as Damages on account of failure of the Selected Bidder to acknowledge the LOA, and next eligible Bidder who has submitted the second highest Bid may be considered by the Authority and, if considered as communicated in writing by the Authority (“**Bid Alignment Communication**”), shall be provided with an opportunity to match the H1 Bid of the originally Selected Bidder. Such subsequently Selected Bidder will be required to communicate its acceptance or rejection within 5 (five) days from the Bid Alignment Communication and any failure to communicate its acceptance within the aforementioned time period shall be deemed to be a rejection thereof. Provided further that in the event of any rejection or deemed rejection by the subsequently Selected Bidder to match the H1 Bid, Authority retains the right to provide an opportunity to the Bidder who has submitted the next highest bid to match the H1 Bid. This process maybe repeated, at the option of the Authority at its sole discretion, till selection of a Successful Bidder. .
- 3.8.10. After acknowledgement of the LOA as aforesaid by the Selected Bidder and once the Selected Bidder has paid the first instalment of the Upfront Payment and submitted the Performance Security within the period prescribed in Clause 1.3 of this RFP, the Authority shall cause the Selected Bidder to execute the Licence Deed within a period prescribed in Clause 1.3 of this RFP.

Swiss Challenge Process

- 3.8.11. In case there is only 1 (one) Technically Qualified Bidder and the Authority decides to initiate a Swiss Challenge Process, the Technically Qualified Bidder will be treated as the anchor Bidder (such Bidder being referred as “**Anchor Bidder**”) for the Swiss Challenge Process and the following process shall be followed:
- (a) The Financial Bid of the Anchor Bidder shall be opened and shall act as the anchor Bid (“**Anchor Bid**”) for the Swiss Challenge process. The Anchor Bidder will be deemed to be technically qualified under the Swiss Challenge Process and not be required to make any incremental payments subject to extension of the Bid Security till the conclusion of the Swiss Challenge Process.
 - (b) The Authority shall publish a timeline within which it shall allow prospective Bidders to conduct site visits, raise queries and submit their challenge Bids under the Swiss Challenge Process.
 - (c) All such Bidder(s) who submit their Technical Bids(s) under the Swiss Challenge Process will have to agree to participate in the forward e-auction with the Anchor Bid as the reserve price for the forward e-auction.
 - (d) The Challenge Bids received under the Swiss Challenge Method shall be evaluated and the Bidders who qualify the Technical Capacity and the Financial Capacity shall be notified as “**Technically Qualified Challenge Bidder(s)**”.
 - (e) All Technically Qualified Challenge Bidder(s) including with Anchor Bidder shall be eligible to participate in the forward e-auction. Terms and conditions contained under this RFP for the forward e-auction shall mutatis mutandis apply for the e-auction under the Swiss Challenge Process. It is clarified, for the avoidance of doubt, that Clause 3.8.3 of this RFP relating to the elimination of the L1 Bidder shall not apply.
 - (f) The highest Financial Quote received in the e-auction portal at the culmination of the forward e-auction process shall be treated as the H1 Bid and the Anchor Bidder or the Technically Qualified Challenge Bidder(s) whoever has submitted the H1 Bid shall be declared as the ‘Highest Bidder’ or the ‘Selected Bidder’.
 - (g) The Authority may specify additional terms in relation to the Swiss Challenge Process.
- 3.8.12. In case no Challenge Bids are received or there are no Technically Qualified Challenge Bidder(s), the Authority reserves the right to award the Project to the Anchor Bidder at the Anchor Bid or annul the Bidding Process at its discretion.

3.9. Contacts during Bid Evaluation

- 3.9.1. Bids shall be deemed to be under consideration immediately after they are opened and until such time the Authority makes official intimation of award/ rejection to the Bidders. OFFICE MEMORANDUM

Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the process of disinvestment

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like Net Worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/ disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

- (a) In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment / adverse order by a regulatory authority that casts a doubt on the ability of the bidder to manage the public sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. 'Grave Offence' is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case-to-case basis after considering the facts of the case and relevant legal principles, by the Government. 'Grave Offence' would include the below noted cases:
 - a. Only those orders of SEBI are to be treated as coming under the category of 'Grave Offences', which directly relate to 'Fraud' as defined in the SEBI Act and / or regulations.
 - b. Only those orders of SEBI that cast a doubt on the ability of the bidder to manage the public-sector unit, when it is disinvested, are to be treated as adverse.
 - c. Any conviction by Court of Law.
 - d. In cases in which SEBI also passes a prosecution order, disqualification of the bidder should arise only on conviction by the Court of Law
- (b) In regard to matters relating to the security and integrity of the country, any charge-sheet by an agency of the Government / conviction by a Court of Law for an offence committed by the bidding party or its Associate Company (as defined in Companies Act, 2013) would result in disqualification. The decision in regard to the relationship interse between the concerns, would be taken based on the relevant facts and after

- examining whether the two concerns are substantially Controlled by the same person/persons.
- (c) In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.
 - (d) Any bidder, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order, based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.
 - (e) The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.
 - (f) Before disqualifying a bidder, a Show Cause Notice as to why it should not be disqualified, would be issued to it and it would be given an opportunity to explain its position.
 - (g) These criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory authority, which if decided against the bidder, may disqualify the bidder in terms of (a) & (b) above or the eligibility criteria prescribed in the EoI, is pending against them. In case any investigation is pending in case which if decided against the bidder, may disqualify the bidder in terms of (a) & (b) above on the eligibility criteria prescribed in EoI against the bidder or the concern in which the bidder has substantial interest or against its CEO or any of its Directors/Managers, full details of such investigation including the name of the investigating agency, the charge/offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, a similar undertaking shall be filed along with EOI.
