

**Programme schedule for Board of Enquiry & Hearing on 20.10.2021 regarding
Draft Master Plan for Delhi- 2041**

Public Notice dated 09.06.2021 & 23.07.2021 with reference to Draft Master Plan for Delhi- 2041

SLOT 1 (10:30 A.M. to 11.30 A.M.)

S. No. 8782 to 10231

**Objection/
Suggestion**

Exclusion of JJ Colonies from Draft LU Map

- The boundaries of the JJ Colonies/bastis should be clearly mapped and included like the Unauthorised Colonies and no reservation should be given to the JJ Colonies/bastis. Local bodies should be allowed to make plans to improve and re-develop the colonies and norms/facilities should be developed for the same.
- Apart from conferring development rights to the residents, the master plan should allow in-situ upgradation of the colonies. Most colonies have good quality housing and they need to be supported by encouraging the PMAY's BLC components.
- The master plan should not in principle allow resettlement colonies/ bastis. If at all, it is required to be done, under exceptional circumstances, the relocation should not be more than 3kms away or outside the council ward.

**Programme schedule for Board of Enquiry & Hearing on 20.10.2021 regarding
Draft Master Plan for Delhi- 2041**

Public Notice dated 09.06.2021 & 23.07.2021 with reference to Draft Master Plan for Delhi- 2041

SLOT 2 (11:30 A.M. to 12.30 P.M.)

S. No. 10282 to 11782

Exclusion of JJ Colonies from Draft LU Map

**Objection /
suggestion**

- The boundaries of the JJ Colonies/bastis should be clearly mapped and included like the Unauthorised Colonies and no reservation should be given to the JJ Colonies/bastis. Local bodies should be allowed to make plans to improve and redevelop the colonies and norms/facilities should be developed for the same.
- Apart from conferring development rights to the residents, the master plan should allow in-situ upgradation of the colonies. Most colonies have good quality housing and they need to be supported by encouraging the PMAY's BLC components.
- The master plan should not in principle allow resettlement colonies/ bastis. If at all, it is required to be done, under exceptional circumstances, the relocation should not be more than 3kms away or outside the council ward.

**Programme schedule for Board of Enquiry & Hearing on 20.10.2021 regarding
Draft Master Plan for Delhi- 2041**

Public Notice dated 09.06.2021 & 23.07.2021 with reference to Draft Master Plan for Delhi- 2041

SLOT 3 (12:30 P.M. to 01.30 P.M.)

S. No. 11783 to 12798

Objection/ Suggestion	<p>Exclusion of JJ Colonies from Draft LU Map</p> <ul style="list-style-type: none"> - The boundaries of the JJ Colonies/bastis should be clearly mapped and included like the Unauthorised Colonies and no reservation should be given on the JJ Colonies/bastis. Local bodies should be allowed to make plans to improve and redevelop the colonies and norms/facilities should be developed for the same. - Apart from conferring development rights to the residents, the master plan should allow in-situ upgradation of the colonies. Most colonies have good quality housing and they need to be supported by encouraging the PMAY's BLC components. - The master plan should not in principle allow resettlement colonies/ bastis. If at all, it is required to be done, under exceptional circumstances, the relocation should not be more than 3kms away or outside the council ward.
